MEDICO-LEGAL PRACTICE

- Undertaking medico-legal reporting since 2001
- Familiar with Lord Woolf's recommendations
- Attended various medico-legal courses to keep updated with reforms
- Approximately 400 + reports per year
- Approximate distribution of instructions: 70% Claimant, 20% Defendant, 10% Joint
- Have attended Court for medico-legal purposes
- Trained to undertake Clinical Negligence cases
- Undertaking Home visits and Prison visits

Appointments are arranged within 3-4 days of receiving instructions and Clients are seen within 4-8 weeks of receipt of instructions. The reports (if all notes are available) are usually dispatched within 14 working days. Clients are offered a choice of venues and times so appointments are fairly flexible. All clients are sent directions to the place of examination (if required).

Queries and supplementary reports are usually answered within 2 weeks of receipt.
